# INTRODUCTION TO FIQH

The greatest gift that Allah Ta'ala blesses any person with is undoubtedly the gift of Imaan. Any person blessed with Imaan, has to take care and look after his Imaan very carefully until eventually he is blessed with death on Imaan.

In order to live and die on Imaan, we have to obey all the commands of Allah Ta'ala. Every day of our lives we engage in acts of Ibaadah [worship] like Salaah, Saum [fasting], Zakaat, Hajj, etc. If we fulfill these actions correctly and properly we will be rewarded tremendously by Allah Ta'ala. But if we are ignorant of the laws of Allah Ta'ala, we may end up doing our Ibaadah [worship] incorrectly.

May Allah Ta'ala reward the four great Imaams of Fiqh who made it so easy for us by explaining the laws of Islam so that we can easily and correctly follow the teachings of Rasulullah ﷺ .

In the primary maktab, children are also taught a subject called FIQH. All the necessary laws of Islam are taught to the children equipping them with the necessary knowledge of Islam. This Ilm [knowledge] will enable them to spend their lives in the obedience of Allah Ta'ala.

In this way we can earn the pleasure of Allah Ta'ala and become successful in dunya and Aakhirat.

May Allah Ta'ala accept this publication and make it a means of attaining His pleasure and may He make this book a means of great benefit for the Ummah. *Aameen*

# GUIDELINES FOR TEACHING FIQH

1. Each lesson should be taught over two weeks to ensure the lesson is properly explained and ingrained in learners.
2. Recap the previous lesson before starting the new lesson. In this way, absentee learners will not miss out on lessons.
3. Where applicable, teach lessons practically i.e. The teacher should demonstrate how to make wudhu, Salaah postures, how to make miswaak, the correct method of entering/leaving the toilet, etc.
4. Assess learners on practical wudhu and Salaah. Complete assessment form.
5. Assess learners after each section. Utilize different methods such as games, questions, worksheets, etc.
6. Set aside sufficient time in the fourth term to revise the entire Kitaab.
7. Plan lessons in advance so that you are adequately prepared for activities, assessments and any questions learners may have.
8. Do not waste Madrasah funds and resources when

planning crafts and activities. Rather collect recyclable items that can be used to complete these lessons.

9. Activities in this Kitaab have been prepared to make lesson preparation easier for teachers. However, teachers are encouraged to add on additional activities and/or assessments if need be to ensure lessons are properly taught and understood.

## Najaasat

Najaasat means filth/impurity. We must make sure that our body and clothes are clean at all times.

Allah Ta'ala will not accept our Salaah if there is najaasat on our body or clothes.

As soon as our body or clothes become messed with najaasat, we should clean it.

### *Types of Najaasat*

There are **six** types of najaasat:

1. Urine of humans and animals
2. Stool [faeces] of humans and animals
3. Blood
4. Pus from a pimple or wound
5. Alcohol
6. Vomit

We **cannot** read Salaah if there is najaasat on our body or clothes.

### *How to clean Najaasat?*

1. If any of the above six najaasat falls on our clothes, wash it three times with clean water and squeeze it after each wash. We do not have to wash the entire cloth. Only that portion which is messed, needs to be washed.
2. If any of the above six najaasat falls on our body, wash it off three times with clean water.
3. If najaasat falls on our bedding, carpets, curtains, etc. wash it off three times with water to make it clean.

# Important words used in Fiqh

As Muslims, we live our life according to the laws and commands of Allah Ta'ala as shown to us by Nabi Muhammad [sallallahu alayhi wasallam]. These laws are known as the Shari'ah. Some laws are necessary to carry out, some are rewarding and some are forbidden.

There are few Arabic terms [words] which are important for us to learn. These terms [words] will appear in all our Fiqh books. If we learn them properly now, it will be easy for us to understand our lessons better, InshaAllah.

**Fardh:** A compulsory act. Something which we have to do. If we do not do it, we will be sinful.

**Waajib:** An act which is close to Fardh. Waajib acts are also compulsory and have to be done. If we do not do it, we will be sinful.

**Sunnah:** Acts which Rasulullah [sallallahu alayhi wasallam] said, did or liked.

## LESSON 03

**Mustahab:** These are recommended or preferred acts. Mustahab acts are something which is better and more rewarding for us to do.

**Nafal:** An optional act. If a person does it, he will be rewarded and if he does not do it, he will not be sinful.

**Makrooh:** A disliked or offensive act. These acts are not liked by Allah Ta'ala.

**Halaal:** A permissible act - something we can eat.

**Haraam:** A forbidden act - something we cannot eat.

# Istinjaa

Istinjaa means to clean the private parts after passing urine or stool. Istinjaa is done using water and toilet paper. Rasulullah [sallallahu alayhi wasallam] has shown us the correct way to relieve and clean ourselves after using the toilet. By making Istinjaa correctly, we remove najaasat from our bodies. Correct istinjaa also prevents any najaasat messing our clothes or shoes. In this way, we will remain clean and will be able to perform Salaah, read Qur-aan, etc.

There are certain etiquettes we should follow when using the toilet and making istinjaa.

## *Do's...*

1. Cover your head and feet before entering the toilet.
2. Read the dua before entering the toilet and enter with your left foot.
3. Sit and relieve yourself. Use the low pan toilet. It is sunnah to relieve oneself in a squatting posture.
4. If you use the high pan toilet, be very careful

that no urine drops splash onto your body, clothes or shoes.

5. Use water and toilet paper to clean yourself.

6. Use your left hand to make istinjaa.

7. Make sure you leave the toilet in a clean state after you use it

- Flush the toilet, wipe the seat, close the tap properly, roll up the toilet paper and put the jug back in its place.

8. Leave the toilet with the right foot and read the dua after using the toilet.

9. Wash your hands after using the toilet.

### *Don'ts...*

1. Do not relieve yourself in an open place where people can see you.

2. Do not take any item with the name of Allah Ta'ala or an Aayat of the Qur-aan Shareef on it, into the toilet.

3. Do not relieve yourself whilst standing.

## LESSON

### 04

4. Do not face towards the qiblah when relieving yourself. Similarly, your back should not be towards the qiblah.
  5. Do not talk, sing, read books or play with a cell phone while relieving yourself.
  6. Do not make any zikr verbally. If you sneeze, do not say, “Alhamdulillah” aloud. Rather, recite “Alhamdulillah” in your heart. If someone makes salaam to you, do not reply to the salaam.
  7. Do not eat or drink in the toilet.

## Wudhu

Wudhu is a special way of washing certain parts of our body as shown to us by Nabi Muhammad [sallallahu alayhi wasallam]. Wudhu is the key to Salaah. If we do not have wudhu or our wudhu is not done correctly, our Salaah will not be accepted.

## ***The Incident of Zubaida***

Queen Zubaida was the wife of the richest and most powerful Khalifa, Haroon al-Rashid.

She was a rich, beautiful and intelligent woman. Although she was a queen, she spent her time learning the Qur-aan and Hadith and spending her wealth in the path of Allah Ta'ala.

Queen Zubaida was also very pious. She always read her Salaah and performed many Hajj. The Queen loved spending her wealth to help people. Fresh drinking water in Makkah Shareef was so

## LESSON

### 07

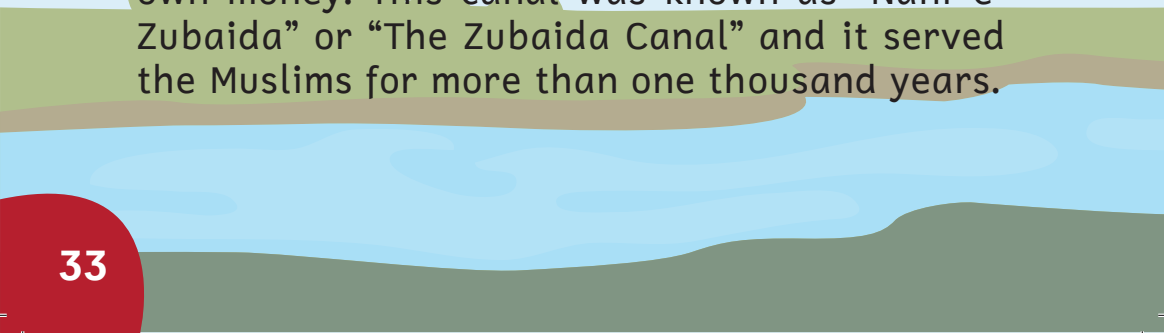

expensive that one bucket of water would sell for 20 Dirhams.

Those coming for Hajj had to depend on Zam Zam water to survive. There was no other source of water especially in Arafat, Mina and Muzdalifah.

In the year 193 Hijrah, Queen Zubaida went for Hajj. The water problem in Makkah grieved her so much that she immediately decided to build a canal and solve the water problem forever. She ordered that a canal be built all the way up to Makkah to provide fresh drinking water to the Haajis.

Land was purchased for a big amount of money and the Queen hired engineers from different parts of the world to build the canal. After many years of hard work, the canal was completed, which brought great relief to the Haajis as well as to the people of Makkah.

Queen Zubaida paid for all the costs from her own money. This canal was known as “Nahr-e-Zubaida” or “The Zubaida Canal” and it served the Muslims for more than one thousand years.

When Queen Zubaida passed away, she was seen in a dream by one of her close friends. She was asked, “Did you enter Jannah?” Zubaida sighed with relief, “Yes! Not on account of the canal I built, but Allah Ta’ala granted me Jannah because of my respect for the Azaan. Whenever I was holding a gathering and the Azaan began, I would order everyone to be silent and to answer the call of Azaan. That is what gained me Allah Ta’ala’s mercy!”

# Salaah

Salaah is a very special Ibaadah [act of worship]. Salaah is the second pillar of Islam and it is the most important Ibaadah for a Muslim. When we perform Salaah correctly, our heart gets cleaned from evil, our sins are removed and we become pious. In Salaah, we are the closest to Allah Ta'ala. It is as though we are standing in front of Allah Ta'ala during Salaah.

We should try and read all our Salaah on time. Allah Ta'ala will not be happy with us if we delay our Salaah unnecessarily.

## *Rewards for performing Salaah*

Hadhrat Abu Hurairah [radhiyallahu anhu] says that once Rasulullah [sallallahu alayhi wasallam] asked his Sahaabah, 'Do you think that dirt can remain on a person who baths five times a day in a stream [river] flowing in front of his door?' 'No', replied the Sahaabah, 'No dirt can remain on his body.' Rasulullah [sallallahu alayhi wasallam] said: 'So exactly similar is the effect of Salaah read five times a day. With the Grace of Allah Ta'ala, it washes away all sins.'

# LESSON

08

Our Nabi Muhammad [sallallahu alayhi wasallam] said, “Allah Ta’ala gives 5 favours to a person who is mindful of Salaah:

1. His rizq [daily needs] is made easy for him.
2. He is saved from the punishments in the grave.
3. He will receive his book of deeds in his right hand on the Day of Qiyaamah.
4. He will cross the bridge of Siraat [the bridge over Jahannam] with the speed of lightning.
5. He will enter Jannah without being questioned.

## *Names and Times of Salaah*

There are **five** compulsory Salaah in the day. The names of the five Salaah are:

- **FAJR**
- **ZUHR**
- **ASR**
- **MAGHRIB**
- **ESHA**

To read all our Salaah in the correct time is very important. If we read Salaah before the Salaah time sets in or after the Salaah time ends, it will not be accepted by Allah Ta'ala and Allah Ta'ala will not be happy with us.

The times for the 5 daily Salaah are:

**Fajr:** Fajr is read early in the morning before the sun rises.

**Zuhr:** Zuhr is read after midday, that is, after half the day has passed.

**Asr:** Asr is read in the late afternoon.

**Maghrib:** Maghrib is read immediately after sunset.

**Esha:** Esha is read at night [when it is dark].

### *Impermissible Times For Salaah*

# LESSON

08

There are certain times during the day when we are **not** allowed to perform Salaah.

**Sunrise:** When the sun is rising in the morning.

# Conditions before Salaah

Before we start our Salaah, there are certain conditions that need to be carried out. If any of these conditions/aspects are left out or not done correctly, our Salaah will not be accepted by Allah Ta'ala.

5. Our satr [private areas] is covered.
6. We have the correct intention.
7. The time for Salaah is correct.
8. We are in the state of wudhu.

The Satr refers to the private parts of our body which no one is allowed to look at or touch.

- The satr [private area] for a boy is from the navel to the knee.
- The satr [private area] for a girl is her entire body besides her face, palms and feet. A girl's hair is also part of her satr.
- Our satr area needs to be covered at all times. We should not expose our satr to anyone unnecessarily.
- We should be careful not to expose our satr when swimming, playing, exercising or doing any sport or outside activities.
- We will be sinful if we expose our satr.
- To look at the satr of another person is also sinful. This includes looking at pictures where a person's satr is exposed.
- No one is allowed to look at our satr area and no one is allowed to touch our satr area.

# Practical Salaah

Salaah is the most important Ibaadah for a Muslim. Therefore we should strive to perform a perfect Salaah as shown to us by Nabi Muhammad [sallallahu alayhi wasallam] Rasulullah [sallallahu alayhi wasallam] has said:

*“Perform your Salaah in the manner you see me performing Salaah.”*

From this Hadith we come to know that it is our duty as Muslims to learn the correct manner of performing Salaah.

To perfect our Salaah, we need to learn how to perform each posture correctly as well as what to recite in each posture.

A perfect Salaah will earn us the pleasure of Allah Ta'ala and great rewards in this world and the Aakhirah.

أَشْهَدُ أَنْ لَا إِلَهَ إِلَّا اللَّهُ وَأَشْهَدُ أَنَّ مُحَمَّدًا عَبْدُهُ وَرَسُولُهُ

### Durood-e-Ibraaheem

اللَّهُمَّ صَلِّ عَلَى مُحَمَّدٍ وَعَلَى آلِ مُحَمَّدٍ كَمَا صَلَّيْتَ عَلَى إِبْرَاهِيمَ

اللَّهُمَّ بَارِكْ عَلَى مُحَمَّدٍ وَعَلَى آلِ مُحَمَّدٍ كَمَا بَارَكْتَ عَلَى إِبْرَاهِيمَ

# Jumuah

The Day of Jumuah [Friday] is the best and most important day for a Muslim. Allah Ta'ala has chosen this day to be a special day for the Muslims.

Rasulullah [sallallahu alayhi wasallam] said: “Certainly Friday is the leader [master] of all days; A day greater and more honoured by Allah Ta'ala than the two Eids [Eidul-Adha and Eidul-Fitr].”

[Sunan Ibn Majah #1084]

The Day of Jumuah has many virtues. These include:

- Increasing recitation of Durood Shareef on Jumuah is a means of forgiveness for a person.
- Allah Ta'ala forgives the minor sins of a person from one Jumuah to the next.
- Jumuah is a special day for the believers. Allah Ta'ala has made it an Eid for the Muslims.
- Jumuah contains a special moment wherein duas are accepted.
- A person who passes away on the day or night of Jumuah, Allah Ta'ala saves him from the punishment of the grave.

# LESSON 13

Since the day of Jumuah is so special and has so many virtues, we should show respect to the Day of Jumuah and take the most benefit from it. The Ulama say that the person who will receive the most benefit from the day of Jumuah will be that person who waits for Jumuah and makes preparations for it.

## *Etiquettes on the Day of Jumuah*

We should try to do the following actions on the day of Jumuah

- Clip the finger and toe nails.
- Have a ghusal [bath].
- Wear clean clothes - Wear your best clothes if possible. It is preferable to wear white on Jumuah.
- Apply Itr.
- Use the miswaak.
- Make lots of dua especially between Asr and Maghrib. This is a time when duas are accepted.

**For males:**

- Go early to the Masjid for Jumuah.
- If possible, walk to the masjid for Jumu'ah Salaah. For every step taken, you will receive the reward of one year's fasting and Tahajjud.
- Listen attentively to the Khutbah, even if you do not understand it. Do not speak while the khutbah is in progress.

**What to read on the  
day of Jumuah**

- Read extra Durood Shareef on the day of Jumuah. Our Durood Shareef is presented directly to Rasulullah [sallallahu alayhi wasallam] on Friday.
- Make an effort to recite one thousand Durood on Friday. *Rasulullah [sallallahu alayhi wasallam] said, "The one who recites durood upon me one thousand times on the day of Jumuah, he will not pass away until he is shown his place in Jannah."*

# Islamic Months

The Islamic calendar has 12 months.  
 The Islamic calendar is a lunar calendar.  
 This means that each new month is calculated according to the sighting of the moon. When the moon is sighted, the new month begins. An Islamic [lunar] month has either 29 or 30 days.  
 It is a Sunnah to search for the moon at the beginning of the month.

The Islamic months are as follows:

- Muharram
- Safr
- Rabee'ul Awwal
- Rabee'ul Aakhir
- Jumaadal Ulaa
- Jumaadal Ukhraa
- Rajab
- Sha'baan
- Ramadhaan
- Shawwaal
- Zul Qa'dah
- Zul Hijjah

# LESSON 14

## *The Islamic Months*

From the time Allah Ta'ala created the sky and earth, He made 4 months special and sacred. They are: Zul Qa'dah, Zul Hijjah, Muharram, Rajab.

- Muharram is the first month in the Islamic calendar and Zul Hijjah is the last month.
- Ramadhaan has its own *special* virtue. Ramadhaan is the best month in the year for a Muslim.
- Zul Hijjah is the month of Hajj and Qurbaani.

## *Interesting Facts*

- Our Nabi Muhammad [sallallahu alayhi wasallam] was born in Rabee'ul Awwal.
- Me'raaj took place on 27th Rajab. [Me'raaj is the journey of Nabi [sallallahu alayhi wasallam] to the seven skies.]
- The 15th night of Sha'baan is known as Laylatul Baraa'ah or Shabé Baraat. Allah Ta'ala sends down His special Mercy and Forgiveness, and He answers the duas of the Muslims during this night.
- Ramadhaan is the month of fasting for the Muslims.

- Eidul Fitr is on the 1st of Shawwaal.
- Hajj is performed in Zul Hijjah.
- Eidul Adha is on the 10th Zul Hijjah.
