THE BEARD

**AN INTEGRAL PART OF A
BELIEVER'S APPEARANCE**

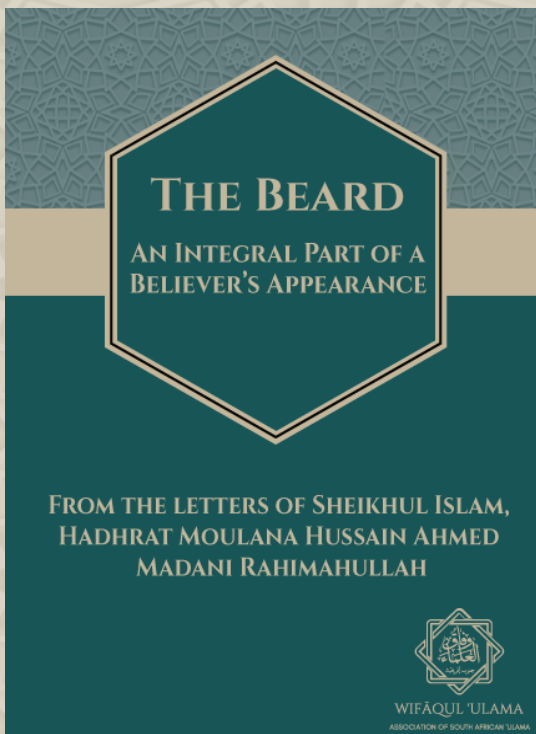

**FROM THE LETTERS OF SHEIKHUL ISLAM,
HADHRAT MOULANA HUSSAIN AHMED MADANI
RAHIMAHULLAH**

- In his response to a letter regarding lengthening the beard, Hadhrat Moulana Hussain Ahmed Madani Rahimahullah explains the importance of maintaining an Islamic appearance using Naqli (textual) and Aqli (logical) proofs.
- He also discusses the claim of those who say that lengthening the beard was a mere custom of the Arabs of that time.
- The answers presented will assist in fighting the modernist claim that the beard, topi, kurta, etc., were customs of the time and are, therefore, not necessary.
