

# 20 Raka'āt Tarāwīh

**Imām Abu Hanifah Rahimahullāh said: Tarāwīh is Sunnah Muakkadah (an emphasized Sunnah). Hazrat Umar Radiyallāhu Anhu did not stipulate the number of Raka'āt himself, nor did he innovate this practice, instead he gave the directive (of performing 20 Raka'āt Tarāwīh) based on some proof he had from Rasūlullah Sallallāhu Alayhi wa Sallam.**
