

An Accepted Hajj

Nabi ﷺ said:

“There is no recompense for an accepted Hajj (i.e. a Hajj untainted by sin) except Jannah”

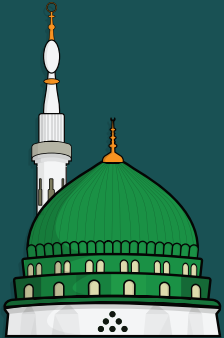

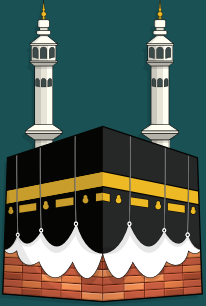

(Bukhari, 1773)

Signs of an accepted Hajj

1. The returning Hājī is more inclined to do good deeds and is more punctual than he was before Hajj.
2. He is more focused on matters of the Akhirah (hereafter) and less attached to the world.

The Hājī should therefore strive to increase in ‘Ibādah and not break any of Allah Ta’āla’s commands. He should also display good character to the best of his ability.

May Allah Ta’aala accept the Hajj of all the Hujjaaj and grant us the great fortune of presenting ourselves in Makkah Mukarramah and Madinah Munawwarah over and over again. Aameen
