

Did you know that there are four types of people who, as per the Hadith of Nabi Sallallāhu 'Alayhi wa Sallam, perpetually earn the wrath of Allāh Ta'ālā?

No. Can you tell me more about them?

1. Those men who imitate women,
2. Those women who imitate men,
3. Those who commit bestiality,
4. Those men who approach men (to fulfill their desires) i.e. they are homosexual.
