AVOID THE CELEBRATIONS OF THE DISBELIEVERS

The famous jurist, Abu Hafs al-Kabir Rahimahullah said: "A person worships Allah Ta'ālā for 50 years and then gives a polytheist an egg as a gift on the day of Nayrūz (holy day of the Coptic church) out of respect for that day, he has committed blasphemy and all his actions are destroyed". (Ad-Durrul Al-Mukhtaar)

In our context, the same will apply to Diwali and Christmas gifting.
