

Darul Uloom Deoband was established to create men who will give their lives to protect Deen

Hazrat Sheikhul Hind Ml Mahmudul Hasan Deobandi rahimahullah said: “Did (Ml Qaasim Nanotwi RA) found the Madressa simply to serve as an educational institute? As far as I know its main purpose was to produce men who could avenge the defeat (against the British) of 1857.”

In other words, it was established as a direct response to the attacks of the British against Islam, to create such men who could bear the flag of Islam and avenge the massacre perpetrated by the British.
