

Deoband

“Deobandiyyat” is the temperament of keeping alive the Sunnah of Nabi sallallahu alayhi wa sallam.

MI Abul Hasan Ali Nadwi Rahimahullah accurately encapsulated the mindset of the Ulama of Deoband in the statement of Abu Bakr Radhiyallaahu anhu

أينقص الدين وأنا حي

Can any deficiency appear in Deen while I am still alive.

The Ulama of Deoband were at the forefront standing up for the protection of Deen whenever any fitnah reared its head.

Do we have the same mindset? Are we ready to stand up and protect Deen from any distortion or fitnah?
