

What to do during the first 10 days of Zhul Hijjah

- Recite the 3rd Kalimah in abundance (Subhānallāh, Alhamdulillāh, Lā Ilāha Illallāh, Allāhu Akbar).
- Exert yourself in Salāh, Tilāwah of the Qur'ān Karīm, and Du'ā during the nights, as each night is equivalent in virtue to Laylatul Qadr.
- Stay away from all sins. If we cannot excel in 'Ibādah, let us at least abstain from sin.
- The reward of fasting on each one of these days is equivalent to the fasting of one year.

Try to fast all nine days. If not possible, then fast every other day. If that is not possible, then fast on Thursday, Monday, and the 9th (The day of 'Arafah), which is next week Wednesday.

May Allāh Ta'ālā grant us the ability to benefit from these blessed days, Āmīn!
