

A'māl (actions) and Du'ās for protection

Recite this duā when leaving home, keeping the meaning in mind.

بِسْمِ اللَّهِ تَوَكَّلْتُ عَلَى اللَّهِ لَا حَوْلَ وَلَا قُوَّةَ إِلَّا بِاللَّهِ

In the name of Allāh, I place my reliance in Allāh, and there is no ability to do good or avert evil except with the permission of Allāh.

Anas رضي الله عنه narrates that Nabi ﷺ said: "Whoever says (the above Du'ā) when leaving his home, it is said to him (by the Angels): 'You have been rightly guided, you have been taken care of, and you have been protected'. And also, Shaytān distances himself from such a person."
