

A'māl (actions) and Du'ās for protection

Mujaddid Alf Thāni Sheikh Ahmed Sirhindi رحمته الله said: When you find yourself in difficulty, and you cannot find a way out, then, irrespective of your circumstances, adopt Taqwa, do not break any law of Allāh Ta'ālā, and recite the following:

100 x Durūd Sharīf

500 x La hawla wa la quwwata illa billāh

100 x Durūd Sharīf

Thereafter, plead to Allāh Ta'ālā. According to your trust and reliance, Allāh Ta'ālā will open a way for you.

(Note: This may be done individually or collectively.)
