

A'māl (actions) and Du'ās for protection

Abundant Istighfār and Salawāt, e.g.

نَسْتَغْفِرُ اللَّهَ وَنَتُوبُ إِلَيْهِ

We ask Allāh for forgiveness and turn in repentance to him.

اللَّهُمَّ صَلِّ عَلَى سَيِّدِنَا مُحَمَّدٍ

May the special mercy of Allāh descend upon our master Muhammad ﷺ

Nabi ﷺ said: "He who makes Istighfār abundantly, Allāh Ta'ālā will grant him relief from all distress, will free him from constrained conditions, and provide for him from where he least expects." (Ahmad, 2234)

Salawāt (Durūd) is an unparalleled means of securing one's Dunya and Ākhirah.
