

A'māl (actions) and Du'ās for protection

Recite the following Du'ā morning and evening:

بِسْمِ اللَّهِ عَلَى نَفْسِي وَأَهْلِي وَمَالِي

Bismillāhi 'ala nafsī wa ahlī wa mālī

I seek the aid of Allāh for the (protection) of myself, my family and my wealth.

A person came to Nabī ﷺ and complained of the difficulties afflicting him. Nabi ﷺ advised him to recite the above Du'ā morning and evening. After doing this for some time, all his difficulties were removed. (Al-Aẓkār lin-Nawawī, 230, ibn 'Asākir 54/396)
