

LOVE FOR RASULULLAH ﷺ

Love for Rasulallah ﷺ Is Part of Īmān

Rasulullah ﷺ said:

“None of you can possess complete Imān until I am more beloved to him than his children, his parents, and all of mankind.”

(Sahih Muslim 44b)

(This love is incumbent) due to the fact that Nabi ﷺ was the means of our salvation from the fire of Jahannam, and through him were we guided to the straight path..”

(Sharḥ an-Nawawī ‘alā Muslim, 2/16)
